- After search committee screens all applicants for minimum and preferred qualifications, but before preliminary interviews are initiated, prepare the [Candidate Pool Evaluation Form](#), which must be forwarded to OIE@ucf.edu. This form should reflect candidate progression through the screening process. The minimum and preferred qualifications on the Candidate Pool Evaluation form must be identical to the criteria listed in the job posting.

Preliminary interviews may not be scheduled without approval of Candidate Pool Evaluation Form

Candidate Interview Process:

- Manage the status of applicants in the Workday.
- Schedule interviews and communicate information to appropriate parties.
- Schedule meetings and on campus interviews and/or presentations and communicate information to appropriate parties.
- Make travel/lodging arrangements.
- After finalists’ interviews are complete, upload the search/offer documents to the selected candidate’s Workday profile.. See the [Faculty Offer Documentation Checklist](#) for a complete list of documents that must be uploaded to the selected candidate’s Workday profile.
- Ensure reference checks are completed for finalist(s). Three reference checks are required for both internal and external hires. There are two options for meeting reference requirements:

Three References Required	Reference 1	Reference 2	Reference 3

Option 2	Phone or electronically via Workday	Phone or electronically via Workday	Recommendation Letter (Date of the letter should not exceed more than a year from when a conditional offer is extended)

NOTE: For option 1 or 2, at least two of the three required references must be conducted by phone or electronically via Workday.

- If selected candidate is being considered for a tenured position or a position in which tenure credit is being offered, work with the hiring manager (or designee) to ensure that a preliminary review and approval by Faculty Excellence is conducted.

Throughout the search, work with the search chair to:

- Take and prepare committee meeting minutes (See [Search Committee Meeting Minutes Template](#)). *Please ensure that the names of the candidates that have advanced during each screening round are included in the search minutes. Finally, ensure that the names of the final candidates the search committee recommends as acceptable for hire are included in the search minutes.*
- Document the resolution of any ‘conflict of interest’ brought forward by a committee member. For example, if a search committee member recuses themselves related to a specific candidate, this should be documented in the meeting minutes each time there is committee action related to the specific candidate. See [Search & Screening Guidelines for more on Conflict of Interest](#).
- Document occasions when ‘right of inclusion’ is exercised. See [Search & Screening Guidelines for more on Right of Inclusion](#).

OFFER

Prior to extending an offer, work with the HRBC to confirm and finalize the following:

- Upload documents required for compliance audit of offer to the selected candidate’s Workday profile (see [Faculty Offer Documentation Checklist](#) – OIE Review on OIE website). The formal offer cannot be extended until the offer has been approved in Workday.
- Confirm with the Human Resources Business Center (HRBC) that the background check process has been successfully completed for the candidate.
- Confirm whether the candidate was required to go through the UCF Foreign Influence Screening Process. If the candidate was required to go through the UCF Foreign Influence Screening Process, confirm that the candidate was approved by the Office of International Collaboration and Export Control (OICEC).
- **Please note** that if the candidate has a current relative, or a relative or person living in the same household (including dating anyone employed at the university), an [Employment of Relatives form](#) must also be submitted and reviewed prior to an offer being extended. This can be done at the same time as the preliminary review and approval of hire with tenure or tenure credit. Coordinate with search chair on this matter.

POST-OFFER	
<p><u>After the search, work with search chair to:</u></p> <ul style="list-style-type: none"> □ Ensure that all applicants have been appropriately dispositioned in Workday. □ Maintain all search records. As a Florida public employer, we must comply with public records laws. □ NOTE: The onboarding stage now begins for the candidate. This includes completion of I-9 and other legally required forms, university and/or college-specific onboarding documentation (for example, tenure and teaching credentials), etc. After the offer has been accepted, work with the designated HR SET role (or hiring manager) to provide the candidate with instructions on how to submit official transcripts (and foreign equivalency evaluations, if applicable) to the designated HR Business Center representative. <p><u>Reminders about References:</u></p> <p>The hiring department chooses the collection method for references when creating the job requisition (references may be checked manually by the department or electronically checked via Workday). Regardless of the chosen collection method, when the department moves the candidate to 'references' in Workday, the system will email the candidate to request reference information (this function cannot be disabled). If the hiring department chose to manually collect the references when creating the job requisition, Workday only collects the reference information. However, if the department chose to electronically collect the references when creating the job requisition, Workday will initiate the reference check process. See the Workday Reference Check Job Aid for details.</p>	<p><u>A formal offer may not be extended without approval of search process</u></p>
