THE UNIVERSITY OF CENTRAL FLORIDA
OFFICE OF INSTITUTIONAL EQUITY
INVESTIGATION PROCEDURES

These procedures, effective for all reports made to the Office of Institutional Equity (OIE) on or after April 5, 2023, govern OIE’s investigation process when a University of Central Florida employee or other individual affiliated with the University is alleged to have violated any University policy or regulation within OIE jurisdiction.1 With the exception of Title IX Sexual Harassment matters, these procedures apply to the policy referenced in UCF Regulation 3.001 (Non-Discrimination and Affirmative Action Programs) and the University’s Nondiscrimination Policy (No. 2-004), and implement the procedures referenced in UCF Regulation 3.0134 (Grievances Alleging Discrimination). The procedures set forth in the University’s Title IX Grievance Policy (No. 2-012) apply to matters alleging Title IX Sexual Harassment.2

1 Hereinafter, all references to “University” include any UCF campus and instructional site, including the University of Central Florida’s Main Campus, Rosen College of Hospitality Management, Health Sciences Campus, Altamonte Springs, Cocoa, Daytona Beach, Leesburg, Ocala, Palm Bay, Sanford/Lake Mary, South Lake, Valencia East, Valencia Osceola, and Valencia West. Also, these procedures apply when an employee, contractor, vendor, visitor, resident, guest or other third party affiliated with the University is alleged to have violated any University policy falling under OIE jurisdiction.

These procedures do not govern reports in which a University of Central Florida student is alleged to have violated any University policy or regulation (see http://scai.sdes.ucf.edu/). Those reports are governed by The Golden Rule Student Handbook (see http://goldenrule.sdes.ucf.edu/).

These procedures also do not apply when another University office (i.e. Human Resources, University Audit, University Compliance and Ethics, etc.) leads an investigation and that office requests assistance or participation by OIE staff. Furthermore, these procedures do not apply when the allegations relate solely to a failure to follow the University’s search process as described in OIE’s Search and Screening Guidelines and related documents.

2 Title IX Sexual Harassment includes conduct that occurs in a University education program or activity in the United States against a person located in the United States on or after August 14, 2020 that satisfies one or more of the following: (1) An employee conditioning the provision of an aid, benefit, or service on an individual’s participation in unwelcome sexual conduct (i.e., quid pro quo); (2) Unwelcome conduct of a sexual nature determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to an education program or activity (i.e., hostile environment); or, (3) Sexual assault, dating violence, domestic violence, or stalking (as defined by the Jeanne Clery Act). See UCF’s Title IX Grievance Policy (No. 2-012).
The nondiscrimination policies and regulations apply to reports of prohibited conduct (as defined therein) occurring on or after the effective date of those policies and regulations. Where the date of the alleged prohibited conduct precedes the effective date of the policy or regulation, the definitions of misconduct in effect at the time of the alleged incident(s) will be applied. However, the procedures under the current policies and regulations will be used to investigate and resolve all reports made on or after the effective date of the policies and regulations, regardless of when the incident(s) occurred.

Individuals wanting to report unlawful discrimination, harassment, Title IX Sexual Harassment and/or retaliation are encouraged to contact OIE as soon as possible following an incident to allow for internal resolution of their complaints, and to connect employees and students with appropriate resources. Suspected crimes or any behavior that poses an imminent risk of harm to any person or the university community should be reported immediately to law enforcement.

OIE will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this investigation process. Such arrangements may include, but are not limited to, providing qualified interpreters or assuring a barrier-free location for the proceedings.

I. UNIVERSITY POLICIES UNDER OIE’s JURISDICTION

A. The University prohibits unlawful discrimination in education, employment, and the provision of services on the basis of legally protected classes [race, color, ethnicity, national origin, religion, non-religion, age, genetic information, sex (including pregnancy, parental status, gender identity or expression, and sexual orientation), marital status, physical or mental disability (including learning disabilities, intellectual disabilities, and past or present history of mental illness), veteran’s status (as protected under the Vietnam Era Veterans’ Readjustment Assistant Act), or membership in any other protected classes as set forth in state or federal law]. More specifically, the University prohibits unlawful discrimination, as well as unlawful harassment, sexual assault, sexual exploitation, relationship violence, stalking, sexual or gender-based harassment, Title IX Sexual Harassment, aiding and abetting in the commission of any of these acts, and retaliation against a person for reporting, in good faith, any of these forms of misconduct or participating in or being a party to any investigation or proceeding related to any of these forms of misconduct under University policies and regulations (“Prohibited Conduct”).

B. In accordance with University policies and regulations, all parties who participate in the good-faith reporting, filing, investigation, and/or proceedings related to reports of discrimination or harassment under these procedures shall be free from retaliation on the basis of their participation in this process.
II. GENERAL PROVISIONS

A. Who May File a Complaint & Scope of Procedures
   i. Reports of Prohibited Conduct may be filed by Students, Employees, or Third Parties. “Complainant” means the individual who discloses having been subjected to any Prohibited Conduct under University policies and regulations, regardless of whether that person makes a report or seeks action under University policies and procedures. “Respondent” means the individual or group who has been accused of violating University policies or procedures.
   ii. These procedures apply to reports of Prohibited Conduct made against the following:
      1. University Employees;
      2. Direct Support Organization non-student employees;
      3. Resident assistants;
      4. Graduate students with administrative, instructional, or supervisory authority over others; or
      5. Third Parties when: (a) the conduct occurred on campus or other property owned or controlled by the University; (b) the conduct occurred in the context of a University employment or education program or activity, including, but not limited to, University-sponsored study abroad, research, on-line, or internship programs; or (c) the conduct occurred outside the context of a University employment or education program or activity, but has continuing adverse effects on or creates a hostile environment for Students, Employees, Direct Support Organization non-student employees, or Third Parties while on campus or other property owned or controlled by the University or in any University employment or education program or activity.

B. Support Persons/Advisors
   Complainants, Respondents, and witnesses shall have the right to have one (1) support person/advisor of their choice accompany them to any meeting with OIE related to a report or investigation under these procedures. A support person/advisor is any individual who provides the complainant or respondent with support, guidance or advice. The support person/advisor can be anyone – a friend, parent, professor, attorney, or anyone else the party or witness would like to have with them. This individual will not be permitted to participate in or obstruct the interview. An individual who is reasonably likely to participate as a witness in the investigation may not serve as a support person/advisor during any substantive interview. It is within OIE’s discretion whether to reschedule a meeting due to a support person’s/advisor’s unavailability. Parties and witnesses must give prior notice to the investigator when any other person will be attending a meeting with OIE.

Interpreters and translators also may attend the interviews (in addition to a support person/advisor).
C. Right to File External Complaint
   i. Complainants shall be advised of their right to file an external complaint with the applicable state and/or federal agency that enforces laws concerning non-discrimination and anti-harassment in employment or education such as the Florida Commission on Human Relations (FCHR), the Equal Employment Opportunity Commission (EEOC), and the Office for Civil Rights (OCR). See Appendix I for agency contact information. There is no requirement that individuals file a complaint with OIE before filing an external complaint.
   ii. When an external complaint has been filed, OIE and the Office of General Counsel (General Counsel) will review the complaint and determine on a case-by-case basis whether OIE will conduct its own, internal investigation or, if OIE has already commenced an investigation, whether such investigation will be discontinued by OIE in light of the external filing and transitioned to General Counsel.

D. OIE Files
   OIE will create and maintain a file related to each report of Prohibited Conduct as described herein. The University is committed to protecting the privacy of all individuals involved in the investigation and resolution of a report. OIE will take reasonable efforts to protect the privacy of participants, in accordance with applicable state and federal law, while balancing the need to gather information to assess the report and to take steps to eliminate the discrimination, harassment or retaliation; prevent its recurrence; and remedy its effects. However, OIE records may be disclosed as required by Florida’s public records laws. Redactions required by the law will be made prior to production of the records (i.e. FERPA).

E. Informal Resolution
   Nothing in these procedures precludes an individual from seeking to discuss or resolve concerns independently with the University’s Ombudsperson. The Ombuds Office serves as a neutral resource that provides confidential and informal assistance to employees and students. http://www.ombuds.ucf.edu/ With regard to Title IX Sexual Harassment allegations, contact with the Ombuds Office will not terminate the investigation or adjudication pursuant to the Title IX Grievance Policy (No. 2-012).

IV. JURISDICTIONAL REVIEW & ASSESSMENT

A. OIE will review any report made to its office to determine whether OIE has jurisdiction to investigate. If not, OIE will advise the reporting person and will not investigate the report further. However, OIE may, in its discretion, refer the report to other appropriate University offices for further review.
B. If OIE has jurisdiction, OIE will assess whether the allegations constitute Title IX Sexual Harassment. If OIE determines that the allegations constitute Title IX Sexual Harassment, the procedures set forth in the University’s *Title IX Grievance Policy* (No. 2-012) will be applied to the matter. If OIE determines that the allegations do not constitute Title IX Sexual Harassment, OIE will continue to apply the procedures set forth herein and will then conduct an initial assessment of the allegations. In conducting this initial assessment, OIE’s analysis is guided by state and federal law, and OIE will credit all allegations as true for the purpose of the analysis. If OIE determines that the conduct would not violate University policies and procedures even if all the allegations are credited, OIE will advise the Complainant of its determination and will not undertake further investigation. OIE may notify other individuals (including the Respondent) or offices within the University of the reported allegations in order to mitigate the impacts of any potentially discriminatory conduct.

C. If, based on the allegations, OIE determines that the alleged conduct may violate University policies or regulations, the investigation will proceed as described below.
V. THE INVESTIGATION

A. OIE will send a Notice of Investigation to the Complainant and Respondent when it determines that it will initiate an investigation. OIE may determine an investigation must proceed even in the absence or withdrawal of Complainant’s participation.

B. Respondents will be informed of the nature of the allegations against them and given an opportunity to respond. Respondents also will be informed that they may enlist the assistance of their union representative, if applicable, for support throughout this process. As their support person/advisor (sec. II(b)), a Respondent’s union representative may accompany the Respondent to any meetings with OIE.

C. The standard of proof utilized in OIE’s investigations is Preponderance of the Evidence, which is defined as that relevant evidence, considering the record as a whole, shows that the fact sought to be proved is more likely to be true than not true.

D. OIE will invite the parties, as well as witnesses determined, in OIE’s discretion, to have relevant information, to an interview with an OIE staff member. Parties and witnesses (as well as individuals assisting or supporting such persons) may not make a recording of the interview unless required as a reasonable accommodation for a disability. OIE also will obtain and review relevant documents or other evidence provided to or obtained by OIE.

E. During the course of the investigation, OIE will provide the Complainant and Respondent with the opportunity to review their respective interview summaries and to provide any additional information. The Complainant and Respondent will have three (3) business days to provide any additional information to their interview summaries, and OIE will incorporate changes where appropriate.

F. OIE will notify the parties of its findings in writing at the conclusion of its investigation (Investigative Report). OIE also will notify the Office of the President, Provost or appropriate Vice President or designee, and any other individual or office that may need to know the information.

G. OIE will endeavor in good faith to complete its process within the timelines set forth in Appendix III (specifically, UCF Timeline of Action Steps Pursuant to Nondiscrimination Policy & Golden Rule Handbook and UCF Timeline of Action Steps Pursuant to Title IX Grievance Policy). These timelines may be extended for good cause, which includes but is not limited to: investigations where additional time is necessary to ensure the integrity and completeness of the investigation; to comply with a request by external law enforcement for a temporary delay to gather evidence for a criminal investigation; to accommodate the availability of parties, parties’ advisors and/or witnesses; to account for University breaks or vacations; to account for complexities of a case, including the number of witnesses and volume of information provided by the parties; and to implement an accommodation based on disabilities or language assistance in the investigation process. If OIE determines that its process may exceed the applicable timelines set forth in Appendix III, the investigator will advise both the Complainant and Respondent.
H. OIE does not determine corrective actions for personnel, which may include discipline. The President, Provost or appropriate Vice President (or designee) will determine what corrective action will be taken and assign implementation of the corrective action. These actions may include but are not limited to a specific remedy for the Complainant, policy changes, disciplinary action against the Respondent, reconsideration of an action, or other remedies. A monitoring schedule also may be prescribed.

VI. WRITTEN RESPONSE TO OIE’S ASSESSMENT DISMISSAL DECISION OR INVESTIGATIVE REPORT

A. Both the Complainant and Respondent have the option to submit a written response to OIE’s Investigative Report or Assessment Dismissal decision.

B. All written responses will be added to and maintained with OIE’s file pertaining to the outcome.

C. With the exception of Title IX Sexual Harassment findings, there is no appeal step within OIE’s procedures. Disciplinary actions which rely on an OIE Investigative Report may be appealed through existing disciplinary processes. State or federal civil rights agencies may be contacted by the parties as appropriate.

---

3 In matters where the Respondent is a Third Party, OIE will review the information and correspond with the Third Party directly or the entity that manages the Third Party to address the allegations. OIE will not issue a Notice of Investigation or Investigative Report as set forth below in these matters unless appropriate (such as where the University exercises sufficient control over the Third Party as to be able to discipline or otherwise take action against the Third Party beyond a trespass order).

4 Information regarding collective bargaining units is set forth in Appendix II.
